**[www.stbenedicttheabbot.org/troop1313](http://www.stbenedicttheabbot.org/troop1313)**

Troop 1313 has begun a web site in connection with St. Benedict the Abbot Church's web site. This web site is meant to be informational for our Troop and for others who may be interested in joining our Troop. However, the Troop Committee wants to make sure that our Scouts and any information about them is safe on the Internet.

The Committee is proposing that we not publish the last name of our Scouts. We intend to use the first name and last initial when referring to specific Scouts, e.g. Fred S. No phone numbers, home addresses or e-mail address of the Scouts will be published. Some pictures we put on the web site may include some of the Scouts. We do not intend to identify the Scouts in the pictures. We will only identify the name or the location of the activity, e.g. Winter Court of Honor or Caledonia State Park, Appalachian Trail.

Below is a permission slip the Troop Committee would like all parents to fill out and return to the Scoutmaster. He will keep this information on file.
